This seminar is part of the official Oxford Academy series. The Oxford Academy is an ongoing series of seminars designed to bring Oxford expertise to schools and groups of teachers all over Italy. These small, interactive workshops were specifically developed to give teachers practical support, classroom activities, and suggestions for how to best confront some of the key challenges they face in the 21st-century classroom.

Oxford University Press è un Ente Formatore riconosciuto dal MIUR per la formazione del personale della Scuola. Prot. N. 3486 del 23/11/2016.
